

Steel Sisters & Striders — Sister Stride

Women-first fitness in Ballari · Product walkthrough with live UI captures

This handout follows the same journeys our Playwright end-to-end suite exercises: visitors see sign-in and registration; members see home, score, progress, challenges, events, Couch to 5K, coaches, community, and the self-help guide.

1. Welcome

Public landing — brand, positioning, and entry to sign in or programme registration.

01 — Home

2. Sign in

Returning members use the sign-in screen (password path shown; your deployment may also use WhatsApp OTP where enabled).

02 — Sign in

New accounts can register from the Join tab on the same page.

Join

[← Sign in](#)

Email or username required (either or both). Password must be 8+ characters. You can add the other later from your profile.

 **DARK**

03 — Join

4. Account recovery

Forgot-password flow for members who need a reset link.

04 — Forgot password

5. Walking to 5K registration

Guided registration for the 12-week Walking to 5K programme.

[← Home](#)

CREATE YOUR ACCOUNT

Sign up with email or username and a password, then you will complete the programme registration (PAR-Q, emergency contact, consent) on the next screens.

 DARK

05 — Walking to 5K registration

6. Member home

After sign-in, the dashboard surfaces next steps, programmes, and navigation to the rest of the app.

7. Fitness score

Holistic score view and optional recompute for motivated members.

 Fitness score

11 — Fitness score

8. Progress

Logging and charts for habits the club cares about.

9. Challenges

Friendly group challenges and leaderboards.

10. Events

Club calendar — browse, register, and attend sessions.

11. Couch to 5K

In-app structured running/walking programme with purchase path where configured.

12. Coaches

Discover coaches and book support.

13. Community

Strider circle — posts, wellness, and safety tools.

14. Self-help

Common questions and guidance without leaving the app.
